OR REVOCATION OF THE PERMIT OF	:

ALEXANDER Q. DO, R.P.	:	FINAL ORDER
	:	OF DISCIPLINE
	:	
TO PRACTICE PHARMACY IN THE	:	
STATE OF NEW JERSEY	:

	:	

This matter was opened to the New Jersey State Board of Pharmacy upon receipt of information which the Board has reviewed and on which the following findings of fact and conclusions of law are made;

FINDINGS OF FACT

1. Respondent is a licensed pharmacist in the State of New Jersey and has been a licensee at all times relevant hereto.
2. On April 27, 2004 respondent was the subject of a judgment filed in the supreme Court of the State of New York, Queens County. Specifically, respondent was convicted of 18 counts of the

criminal sale of a controlled substance a fourth degree crime, and one count of Grand Larceny, a third degree crime.

CONCLUSIONS OF LAW

The above conviction provides grounds for the revocation of respondent's license to practice pharmacy in the State of New Jersey pursuant to N.J.S.A. 45:1-21(f) in that the crime of which respondent was convicted is one of moral turpitude and/or re relates adversely to the practice of pharmacy.

Based on the foregoing findings and conclusions, a Provisional Order of Discipline revoking respondent's license to practice pharmacy in the State of New Jersey was entered on February 24, 2005 and a copy served on respondent at the last known address on file with the Board. The Provisional Order was subject to finalization by the Board at 5:00 p.m. on the 30th business day following entry unless respondent requested a modification or dismissal of the stated Findings of Fact or Conclusions of Law by submitting a written request for modification or dismissal setting forth in writing any and all reasons why said findings and conclusions should be modified or dismissed and submitting any and all documents or other written evidence supporting respondent's request for consideration and reasons therefor.

The respondent submitted 20 letters of recommendation more than half of which came from religious groups and community service associations all attesting to the selfless acts respondent has performed and continues to perform. Also respondent authored a

letter reiterating all the acts of charity he has performed and continues to perform in the last 20 years.

Respondent's submissions were reviewed by the Board and the Board determined that further proceedings were not necessary and that no material discrepancies had been raised. The Board was, however, persuaded that respondent was deserving of the opportunity to request reinstatement at the conclusion of the criminal matter given his prior unblemished record.

ACCORDINGLY, IT IS on this 16TH day of May, 2005,

ORDERED that:

1. Respondent's license to practice pharmacy in the State of New Jersey be and hereby is revoked with no right to request reinstatement prior to the termination of criminal probation or supervised release until January 1, 2008.

2. Prior to resuming active practice in New Jersey respondent shall be required to appear before the Board (or a committee thereof) to demonstrate the fitness to do so, and any practice in this State prior to said appearance shall constitute grounds for the charge of unlicensed practice. In addition, the Board reserves the right to place restrictions on respondent's practice should his license be reinstated.
